Designed to empower and up-skill selected Young People across Lancashire to develop ideas, designs and products with a view to creating a sustainable business in their community.

Workshops will take place at venues across Lancashire.

The project will culminate in a major exhibition scheduled for the Summer 2014.

5 traditional/contemporary artists will deliver workshops and train Young People for employment and improved career prospects.

If you are aged between 16-24 then register now!

FREE ADMISSION
